Teaching Today's Drivers

Basic (48 hours) - \$2,500

Our Basic Program is perfect for you, if your goal is simply to obtain a commercial driver's license. Here at Truck Nation, we believe in the power of freedom, and that's just what a commercial driving license gives you! Basic Program will include our 5 fundamental steps to achieve this goal.

Advanced (80 hours) - \$3,500

This program is the next step up from our Basic Program, and it will include all endorsements (Doubles and Triples, Tankers, and Haz-mats). After all, who will be better qualified for a new career than someone who has no limits to what they can drive?

Pro (160 hours) - \$4,500 **Most Popular**

If you want to become a professional driver, then our Pro Program is the right one for you!. Along with more hours of experience you will also receive log book training, learning coupling and un-coupling, job placement assistance and 10 hours of private training!

Expert (350 hours) - \$8,000

The crème de la crème if you will! The Expert Program has EVERYTHING we have to offer. This program will include all the benefits of the Pro Program, as well as the added luxuries of exclusive scheduling hours, and 50 hours of private training!

Exclusive Hours (Upgrade for \$500) -

Adding the Exclusive Upgrade will not only give you access to train during any of our operating hours but will also give you more of a private training type of feel.

Exclusive Hours Are:

Monday, Wednesday, Friday	6 pm-9 pm
